SUNNY DAYZ TEEN CAMP

Join us for the new Sunny Dayz Teen Camp at the Recreation Center at Rob Fleming Park. Teen camp will be for campers between the ages of 13 years old to 15 years old. This new camp is an extension of the current Sunny Dayz Program at The Recreation Center at Rob Fleming Park, but with more engaging activities and projects for our teen campers. Teen campers will participate in gym games, outdoor activities, weekly field trips, participate in service projects around the community, and swim at Rob Fleming Aquatics Center. Enrollment of fewer than five campers may result in teen camp combining with the 9 - 12 year old group. Teen Camp may also attend field trips with Sunny Dayz camp. For more information about Sunny Dayz Teen Camp, email recreation@thewoodlandstowntship.tx.gov or give us a call at 281-516-7348.

The Teen Camp Calendar will be listed online at www.thewoodlandstowntship-tx.gov/sunnydayz. Spots are limited.

*Pricing rates, refund policies, and what to bring are the same as the Sunny Dayz Camps shown above.

SPECIALTY CAMPS

See the descriptions of these exciting camps on pages 7 through 9!

IKIDS INC.

Dinotunes Discovery

Children are introduced to basic music skills as they participate in dinosaur-themed activities, such as conducting archeological digs for dinosaur bones to make rhythm-and-drum sticks. Children will also experiment with music creation and different genres, enjoy instrumental crafts, singing and musical scavenger hunts!

Fairytale Fine Arts

Art, music, drama and dance are the focus of this fairytale-themed camp! Students will enjoy singing, dancing, hands-on art, and the basics of acting. Every day will be a new learning experience in the realm of fine arts.

Kid-Style Cooking

It's culinary school for kids! Young chefs learn basic cooking skills with fun food activities. Students will become familiar with culinary terms, kitchen utensils, reading recipes and more. Each day will include creativity, science and math-based concepts threaded throughout our cooking endeavors!

LEGO Tech USA

Travel on an all American road trip through LEGO® USA and explore some of America's favorite things, such as cars, sports and space! Have fun with LEGO®

building from simple machines to basic robotics for each road stop and "tourist attraction". Participate in map activities, technology discovery, creative play and more. Build your vehicle and let's go!

SNAPOLOGY

Star Wars Robotics

Robotics inspired by Star Wars® and space travel! Come on an adventure building and programming functional robots using LEGO® bricks in this super-fun program. Learn about space, space travel and, of course, Star Wars®! Build different robots each day! Learning is enhanced through the use of tablets in this camp!

Science of Super Power

In Snapology's Science of Superpowers program, children will learn about the science behind their favorite heroes' powers. Kids will learn about gravity, aerodynamics, forces, motion, and much more as they learn about flight, super villain fights, and superhero vehicles.

Real World Robotics

In this camp, students interested in technology will create robotic models inspired by real life robotic technologies. Students will explore gear ratio, sensors, simple machines, and programming as they build alarm devices, earthquake detectors, robotic arms,

and much more. Your child will have a blast exploring the world of robotic technologies as they build, learn, and play.

Escape Room

Each day of this camp, students and their team will discover clues, solve puzzles, answer riddles and manipulate contraptions to unlock the box to escape Snapology! Using math, problem-solving and critical thinking skills, students will be required to work together to succeed in escaping Snapology. Students will also be given the opportunity to create their own Escape Rooms and try to complete the challenges developed by their peers.

BUILDING BRAINS

LEGO Engineering I: Pre-K

Students will use LEGO and K'NEX education kits to build simple machines that really work, using gears, levers and pulleys. Projects include: cars, tops, merry go rounds, drills, mixers, cranes, conveyor belts and more!

LEGO Engineering II: Elementary

Learn to build simple machines using gears, levers and pulleys. Then, MOTORIZED these machines using LEGO and K'NEX educational kits and curriculum. We will build several new simple machines and conduct experiments to see how well they perform.

LEGO Engineering III: Intro to Robotics

Campers will expand on their engineering skills learned in LEGO II by building simple machines, and then learning basic programming. Each simple machine we build will be programmed to perform a function such as lighting, sounds, songs and motion. Each class is progressive and builds on the other.

FAST FORWARD KIDS

Lego Logo

Bring young technicians into a creative, engineering environment. Not found in stores, the special Lego Logo kits provide extraordinary opportunities for the hands-on construction. Under the guidance of a certified educator, along with detailed technical plans to follow, the participant will build robots, traffic lights, race cars, four-by-four trucks, cranes, pulleys, levers, and more during this energized week of discovery with Lego!

Lego Mania

No builder can say "Lego my Lego!" when engaged in the creative activities of LEGO MANIA! Over 15 new games, projects and activities not found in stores will be planned and manipulated. Enrichment in the areas of personal creativity, following instructions, eye-hand coordination, problem solving, critical thinking and learning will be experienced as the child has the opportunity to construct dinosaurs, rockets, castles, airplanes, forts, cars, and more!

Drones and Expert Lego Workshop

So you say you have done it all with Lego? Learn to fly one our Drones! Merging the best advanced science and technology projects with the wonder of flight. A hands-on learning approach providing innovation and adventure. A certified instructor will facilitate, but students and flight squads will create compete and expand their creativity skills. This class will surely inspire all Lego enthusiasts.

All Boys and Girls Adventure Class

Fast-paced exciting adventure centers for all! Invention Station. Hot Wheels World of Discovery-endless track momentum force friction100s of cars. Camp Barbie-manners careers dress for the occasion. Play Doh Extreme Science-dinosaurs, volcanoes, transportation, solar system. Young Builders Workshop- imagination station kits. Circus Arts-hoops loops silks magic. Brain Center- memory and logic. Story Time.

Fashion Designer- Talented Expressions

Design principles in the areas of sketching, color & pattern coordination, costume design and fashion history will be applied to their personal style and portfolio. Designs come to life with beautifully patterned papers, yards and yards of ribbons, colorful sequins, glitzy jewels, glamorous feathers and oodles of other embellishments. Girls will be grouped into "Design Teams" for a variety of fun, engaging activities such as White Wedding, Fashion Show-down. Make new friends and build on your talented expression with personalized creations other than fashion.

Circus Arts Camp

An experience designed to introduce children to circus, performing, and visual arts in a safe and noncompetitive environment. . Any level of physical development & skill is welcome. Your camper will receive circus arts instruction and have the time of their life learning to perform with silks, special hoops and loops, the art of magic, balloon art and get all fancy with clown face painting. It's the greatest camp on Earth and your child can be part of the fun!

Create/CR8

A Day Camp filled with all the things every youth needs and wants to "create" the perfect summer. Our "creative" staff provides the instruction and all the materials for everyone to complete a day full of projects. Your child will embark on a day creating projects, learning the art of survival with survival tactics, theater arts, music, and art projects and techniques. Children will benefit by promoting self-esteem, motivation, aesthetic awareness, cultural exposure, creativity, as well as social harmony and appreciation of diversity.

Survival Tactics

Wrapped in games and adventure, unique challenges await you. During survival situations, the four basic needs become shelter, water, fire, and food. By introducing basic techniques, your child will learn how to purify water, signal for help, leave no trace camping, signal for help, first aid, search for edible food, set up shelter, learn Army chants, and more! Team Survival games will keep the training light hearted and fun!

Early Bird Reading

Offers fast paced, fun filled activities directly related to the act of reading. Provides successes designed to develop self esteem, confidence and motivation to move forward in the reading experience. The emergent literacy books of "Interactive Reading Time" address visual discrimination through the introduction of small, controlled vocabulary. "Games Time" provides kinesthetic activity while enhancing visual and auditory skills as related to sound/symbol association, as well as the daily construction of manipulative take-home games. Read about the farm, the circus, the zoo, and the jungle!

YOUNG REMBRANDTS

Summer Art Pastels Workshop – Colorful Critters

Animal lovers rejoice; an all new - all pastel workshop is here! Students will learn pastel drawing and texturing techniques to illustrate whimsical bees, a fanciful army of frogs, and a striking owl. Challenge your creative kids by introducing them to the world of pastels, a guaranteed favorite summer tradition for every Young Rembrandts artist. Enroll now!

Summer Art Workshop – Jr. Under the Sea

Under the seas makes us think of mermaids, fish, shipwrecks and even sharks. All of these will inspire out work as we draw many animal and human characters found under the sea. Our last day will be exciting as we combine the subject matter we have learned into one larger drawing with a story of its own.

Summer Art Pastels Workshop – World of Dinosaurs

Travel back in time to the land of the lost. Join Young Rembrandts for a workshop celebrating a favorite topic - dinosaurs! Every day students will learn to use pastels to create impressive and frame-worthy art. Artists will draw and color different types of dinosaurs in varying artistic styles ranging from realism, graphic and cartoon. Perfect for boys or girls who love the ancient world of big lizards! Sign up today!

Summer Jr Art Workshop – Curious George

Younger artists will explore the world of H.A. and Margaret Rey in this five-day workshop full of art and books. Each day a different Curious George book will be read with the students. Afterwards, children will draw a Young Rembrandts lesson which incorporates one aspect of the book just read together. Children's creativity and imagination will play together as students bring their favorite books to life through their detailed drawings!

Merit Badge University provides Scouts ages 11 and up the opportunity to earn a variety of merit badges in one day. Here, Scouts can choose to have a full day of outdoor-related classes while others may come to take one class such as: canoeing, Archery, Geocaching, Indian Lore, First Aid, fishing, fly fishing, forestry, bird study, emergency prep, orienteering, search & rescue, space exploration, Fire & traffic safety, environmental science, geology and sustainability.

Location: The Recreation Center at Rob Fleming Campus

Ages: Open to all registered Scouts 11 and up

Time: Saturday, August 3, 2019; 8 a.m. – 3 p.m.

Fee: \$25

GROUP SWIM LESSON DESCRIPTIONS AND LEVEL GOALS

Each class is a prerequisite for the next higher level; exceptions may only be permitted by swim instructors or program coordinator.

SWIM WITH ME

6 months to 2 ½ years

Infants, toddlers and adults that accompany them play games, sing songs and learn basic water skills. Children learn to become comfortable and enjoy the water while learning basic safety and water skills, including entering and exiting the pool, blowing bubbles, submersion, floating (both back and front) and changing body position in the water.

TODDLER TRANSITIONS

2 to 3 ½ years

Entering and exiting the water using steps and side, bobbing, blowing bubbles, retrieving submerged objects, submerging entire body, front and back float with support, front glide with support, recovering to a vertical position and freestyle with support. Parents will participate in the water for the first week of the session to help their child gain confidence in the water. By the end of the program, children should be swimming on their own.

PRIVATE SWIM LESSONS (Adults and Children)

One-on-one swim instruction. Pick from one of the 10 Township pools listed below, then choose a time between Noon and 5 p.m. Your request will be answered within five business days. All lessons are 30 minutes. *No Class July 4, 2019. Ages: All

ADOPT-A-PATH

Is there a certain pathway that you frequent or one that has sentimental value? Consider "adopting" it! Adopt-a-path is a stewardship program where volunteers pick up litter on a 1-mile stretch of pathway at least once per quarter. Registration is open to anyone wanting to beautify their community including businesses, neighbors, schools and youth groups. Please contact enviro@thewoodlandstownship-tx.gov for more information.

COMMUNITY CLEANUP

Looking for a volunteer opportunity for your group? Consider a litter cleanup of a local park or natural area. Your group will be rewarded with beautifying their community while enjoying the outdoors and having fun! The Woodlands Township Environmental Services Department can help by providing trash grabbers, bags, and safety vests. Contact enviro@thewoodlandstownship-tx.gov for more information. For more volunteer opportunities, please visit www.thewoodlandstownship-tx.gov/volunteer or email volunteer@thewoodlandstownship-tx.gov.

PLANT A POLLINATOR GARDEN

Creating pollinator habitat around your home can be done many ways: establish a low maintenance "wild" habitat, add pollinator plants to an existing landscape, create a new garden bed, or add a container garden to your balcony or patio. Find plant lists, guidelines and other resources at www.thewoodlandstownship-tx.gov/plantforpollinators. Register your pollinator garden and receive a window decal in recognition of your effort to help save pollinators. To register, go to the webpage above and click "Register Your Garden."

ADVANCED ORGANIC VEGETABLE GARDENING CLASS

Join Texas A&M AgriLife Extension Agents Emeritus (retired) Tom LeRoy and Bill Adams as they share their many years of vegetable gardening experience and expertise. Space is limited. Please visit <https://www.thewoodlandstownship-tx.gov/environment> or call 281-210-3800.
